The Secretary,  
American Numismatic Society,  
156th. Street and Broadway,  
New York City.

Dear Sir:-

As the result of the efforts of the late Mr. Warren Delano, who was I believe also a member of your society, this Club adopted a new medal of high merit: (Mrs.) Laura Gardin (Fraser) Sculptress. A rubbing of it is enclosed. It is struck in bronze and is awarded each year to several of the most meritorious Irish Setters, owned by members, exhibited at the recognized dog shows in this country; under rules laid down by the Executive Committee.

I don't think it occurred to Mr. Delano before his death to present a specimen to your Society. It has seemed to our Executive Committee that it would be a graceful recognition of our esteem for Mr. Delano to present to your Society a specimen engraved as follows:-

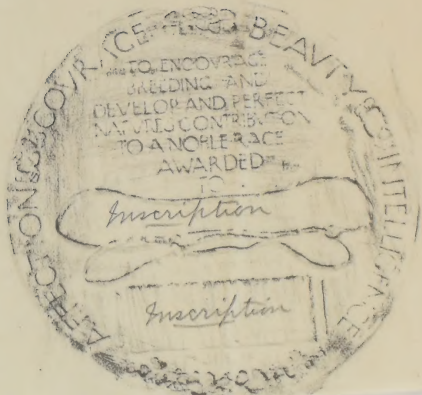

Presented to  
American Numismatic Society  
by Irish Setter Club of America  
in memory of  
Mr. Warren Delano  
1922

If this suggestion meets with your approval I shall take pleasure in arranging for such presentation by our President. Or if you should desire a duplicate so that obverse and reverse sides may be exhibited simultaneously I will arrange for two specimens.

Very truly yours,

*Benjamin A. Howes*  
Treasurer.

July 18th, 1922.

Mr. Benjamin A. Howes, Treasurer,  
Irish Setter Club of America,  
70 Fifth Avenue,  
New York, N. Y.

Dear Sir:-

Thank you for your letter of the 14th.  
We should be very glad indeed to have Mrs.  
Fraser's medal for your organization presented  
in the form you propose as a memorial to Mr.  
Warren Delane.

May I express our appreciation not  
only for your thoughtfulness in making the gift  
but for the peculiar appropriateness of the  
form of a memorial for Mr. Delane.

It would be advantageous to show the  
obverse and reverse sides, and therefore if  
you could have two specimens or have the medal  
struck en cliché, we should prefer it in that  
form.

Very truly yours,

Secretary.

To the Secretary of the American Mammist  
Society -

Dear Sir.

At a Meeting of the Executive  
Committee of the Irish Setter Club  
June twentieth it was voted to  
present the Club Medal to the  
American Mammist Society in  
Memory of the late Mr Warren Delano,  
Swiss it was through Mr Delano  
that this Medal was adopted by the  
Club, and as he was also a Member  
of Your Society it seems fitting  
that the Irish Setter Club should  
in this way honor his Memory. I am  
therefore forwarding to you by this  
day's Express, two Medals to show

the above and reverse sides  
as you suggested.

Very Sincerely Yours

Chas. A. Gale

Dear Sir:

Thank you for your letter of August 11th and for the medals which arrived yesterday. A formal acknowledgment will be sent you in due time; in the meantime, this will merely serve as an acknowledgment of the receipt of the medals.

May I, however, add a word of my personal gratification at having these medals here, as well as the satisfaction we feel in having had them presented as a Memorial to Mr. Warren Delano.

Very truly yours,
